## NAPOMENA!

Pojavili su se (uglavnom na MobilniSvet i KupujemProdajem) telefoni sa nesto nizom cenom koji su aktivirani ko zna kad i ponovo zapakovani kao novi!!!. Trazite serijski broj telefona i proverite da li je aktiviran. Proverite da li serijski broj telefona odgovara broju na kutiji. Pazite se da zarad 10 ili 20 € ustede ne pazarite refurbished (popravljan) telefon koji nema garanciju!!! Proverite telefon koji kupujete bilo da kupujete od mene ili od nekoga drugog!

Refurbished ne znači da je telefon popravljan. Mogući scenario je da se neko predomislio, pa ga vratio u prodavnicu posle par sati.

I kako misli da takvi telefoni nemaju garanciju? Apple ne ukida garanciju takvim proizvodima. Oni je eventualno mogu imati kraću za par dana ili nedelja, zavisi od razloga vraćanja u prodavnicu.

=====

## Re:iPhone 5, nov, sim free, 545e

Posted by Bergkamp - 2013/08/26 07:44

Niko nije ni rekao za refurbished da je identicno sto i popravljan. Refurbished moze biti popravljan ali i ne mora. Ali ostavimo se semantike. Mozda sam se pogresno izrazio i rekao da su telefoni refurbished a to verovatno nisu, nego verovatno jos nesto gore. Ja znam o cemu pricam i o kakvim telefonima se radi jer sam ih drzao u rukama i posto su mi isti nudjeni. Ti telefoni su svi do jednog aktivirani i uglavnom u prosloj godini. Za druge Apple check coverage & support izbacuje da su replaced i ne izbacuje nikakav info. Kako onda mislis da takav telefon ima garanciju? Ako je aktiviran oktobra 2012., koliko jos ima garancije? Nije mi samo jasan motiv tvog javljanja. Da pojasnis pojam refurbished? Nije ovde poenta to, nego je poenta da se na oglasima nude telefoni kao novi u vakuumu a to nisu. Jesu u vakuumu ali su zapakovani u kucnoj radinosti. I nemaju garanciju. Ako je imaju, imaju je mozda jos nekoliko meseci. Ende.

Poenta mog javljanja je da pojasni auditorijumu napisano, jer si generalizovao na par mesta, a ja sam po defaultu skeptik kada neko u svojoj reklami kritikuje nekoga drugog. Ništa zlonamerno sa moje strane :)

Draga Iva,

Da, ima jov uvek crnih od 16gb i da, ide Apple garancija koja vazi godinu od onog momenta od kada ga aktivirate (pocnete da koristite). Nema nikakvih ostecenja posto su telefoni novi u fabrickim kutijama, zapakovani u vakuum celofanu.

Nema na cemu! Sledeci put me slobodno kontaktirajte putem telefona.

Pozdrav! :)
